

```
mod_stats::covariance  
::covariance_value_of  
_vectors_real32
```

A diagram illustrating a pointer relationship. A blue arrow points from the left box to the right box. The left box contains the code snippet 'mod_stats::covariance::covariance_value_of_vectors_real32'. The right box contains the code snippet 'mod_stats::covariance_value_of_vectors_real32'.

```
mod_stats::covariance  
_value_of_vectors_real32
```
