

```
mod_linear_regression  
::linear_regression::fit
```

```
graph LR; A["mod_linear_regression::linear_regression::fit"] --> B["mod_linear_regression::fit_simple_linear_regression"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'mod_linear_regression::linear_regression::fit'. The right box is gray with a black border and contains the text 'mod_linear_regression::fit_simple_linear_regression'. A dark blue arrow points from the right side of the left box to the left side of the right box.

```
mod_linear_regression  
::fit_simple_linear_regression
