

```
mod_stats::covariance  
::covariance_value_of  
_vectors_real32
```

A diagram illustrating a pointer relationship. On the left, a gray rectangular box contains the text 'mod_stats::covariance::covariance_value_of_vectors_real32'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'mod_stats::covariance_value_of_vectors_real32'.

```
mod_stats::covariance  
_value_of_vectors_real32
```
