

mod\_metric::mean\_square  
\_error::mean\_square\_error  
\_real32

```
graph LR; A["mod_metric::mean_square_error::mean_square_error_real32"] --> B["mod_metric::mean_square_error_real32"]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box has a light gray background and a black border, containing the text 'mod\_metric::mean\_square\_error::mean\_square\_error\_real32' on three lines. The right box has a white background and a black border, containing the text 'mod\_metric::mean\_square\_error\_real32' on two lines. The arrow is a solid blue line with a triangular arrowhead pointing towards the right box.
